Consent to use of clinical photographs

Before & after photographs

Patient: Amit Joshi

Permitted use: Marketing & education

I agree that the clinic may take photographs of my scalp and hair before, during and after treatment. These photographs are part of my medical record in every case.

I also allow the clinic to use these photographs, with my face and identifying features hidden, on its website, social media and printed material, and for medical education and conferences.

I may withdraw this consent at any time by telling the clinic in writing. Photographs already published cannot always be recalled.
